Job Position: Architectural Design Professional

Rabun Architects is an award-winning architecture firm with over 47 years of successful projects. Our designers are rooted in technical excellence, driven by imagination, and focused on delivering the best possible solutions for our clients.

We are currently seeking a Design Professional to join our team. A Design Professional is responsible for collaborating with a team of architects and designers to develop design solutions and coordinate the design through the documentation and construction administration phases of a project. Under the direction of the Project Manager, the Design Professional will work within the BIM model to achieve these goals.

The Design Professional should be able to:

- Participate in all project phases, with a primary focus on design development, construction documents and construction administration.
- Collaborate with design team, clients, consultants, contractors, fabricators, regulatory agencies, and other vendors to meet overall project objectives
- Produce BIM models and construction drawings
- Resolve challenging technical and design issues with the team to produce innovative, technical, constructible solutions
- Co-manage client expectations, team communication and oversight of consultant coordination
- Utilize and share technical skills in Revit and other design application software

Required Skills:

- Proficiency in 3D modeling, visualization, and graphic software; strong Revit skills are required
- Working knowledge of building codes, standards and accessibility requirements
- Flexibility to focus on concurrent projects in various stages of development
- Highly self-motivated and quick learner
- Effective verbal and written communication skills
- Collaborative and professional work ethic
- Actively working toward progressing a career in architecture, through licensure and networking

Qualifications

- **Professional degree in an accredited Architecture program preferred**
- Other Architecture or design degrees considered on a case-by-case basis
- 4-10 years of overall experience
- Notable experience in Hospitality or Multi-Family preferred
- Licensure or demonstrated progress toward licensure preferred

Qualified candidates should send their resume and portfolio/work samples to
careers@rabunarchitects.com
